**CREATIVITY IS
INTELLIGENCE
HAVING FUN**

albert einstein

ABOUT US

Orijin is a full-service digital agency that focuses on creating digital marketing experiences for your brand. We have a track record resolving in marketing problems with out of the box integrated solutions.

MISSION

Redefine the way brand communicates with their community

VISION

To be indonesia's leading digital agency with world class service

**REVOLUTIONIZE YOUR DIGITAL
MARKETING EXPERIENCE**

BEHIND THE SCENE

We are a group of young people that shares common interest in technology and designs. Each day we enter our office energized by our will to create unique solutions for business owners to solve their problems in this digital marketing era. Orijin Digital

team feels that it is our obligation to provide full services to our clients.

Sylvester Praditya B. Managing Director

Graduated from Atma Jaya University. A reliable person who already have 5 years experience in creative industry.

A person you can trust for creating, maintaining and executing out-of-the box ideas.

Achmad Hanifa Account Manager

Achmad completed his Bachelor degree in Marketing Management from Atma Jaya Catholic University in 2007.

A financial planner and digital strategist, Achmad is your kind of person who can optimize your marketing budget.

Cinino Bariansyah Sr. Account Executive

Graduated from Trisakti University and he've been experienced in audit firm as consultant and creative industry, so he will be able to see things from financial and creative perspective very well.

Saifuddin Romli Web Developer

He is a senior programmer with good knowledge & implementation of front-end and back-end techniques.

Raditya Wardhana Business Development

Having graduated from San Francisco University and 2 years of experience at LACI Media, Raditya is the eye and ear for creative strategy that Orijin produces.

He is a great communicator and able to create a delightful work environment with clients.

Dandy Roesman Content Manager

Dandy is a graduate of University Sains Malaysia. Prior to joining Orijin, he has worked with ANZ as Relationship Manager for 2 years and Account Manager at Jakarta Globe for 3 years.

His vast experience in handling various client needs will enhance your new experience in digital marketing services

Sandi Wiyono Sr. Graphic Designer

Graduated from Binus University majoring in Communication Visual Design. An art and Design enthusiast at heart, he is expertise at branding, campaign, and editorial design. He've been handled clients on several industries like Banking, F&B, FMCG, Retail, etc.

SERVICES

As a full service digital agency, Orijin Digital provides full range of services tailored to meet specific client needs

ORIJIN

OUR SERVICES

We believe that each brand has its own goal. In order to meet their goal, a brand has to go through different problems and that is where Orijin Digital comes in.
